

K.S.R. COLLEGE OF ENGINEERING

(An Autonomous Institution)

Tiruchengode, Tamil Nadu - 637 215.

INCUBATION TO ENTREPRENEURSHIP

As per the Central Government's instructions to educational institutions and the guidelines given by AICTE in this regard, we have started Incubation Centre and its related other centres in our KSRCE. They are,

1. Incubation Centre
2. Innovation Centre
3. Startup Centre
4. Manufacturing Centre, and
5. Entrepreneurship/Marketing Centre.

The main idea and purpose of above Centres are to promote and support the new creativity of our Students to invent new ideas and produce very new things.

With the help of the above Centres, all the interested students can innovate lot of new things and market them. Apart from education, a student can become an entrepreneur during his/her study period.

Presently, our Incubation Centre and its related Centres are motivating and guiding the Students to reach the above goals.
