K.S.R COLLEGE OF ENGINEERIG (Autonomous), TIRUCHENGODE-637215

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

FREE WEBINAR ON "Cyber Security"

15.06.2020

WEBINAR REPORT

Department of Electronics and Communication Engineering, K.S.R College of Engineering (Autonomous), Tiruchengode Organized a Webinar on "**Cyber Security**" in association with IT Infrastructure and Security Consultant TCS London on **14.06.2020 at 11.30 to 12.30 PM** https://meet.google.com/myz-vyen-wsc

The Webinar began with welcome address by **Dr.P.S. Periasamy** the Head of the Department, ECE. He introduced the resource person **Mr. S. Senthil Pandian,** IT Infrastructure and security consultant TCS London; to deliver the lecture and welcomed all the participants.

Impact Analysis on Webinar

- The webinar was very useful to the Faculty members and students to learn about the fundamentals cyber securities involved in software industry. It was very useful for gaining knowledge regarding cyber securities with internet securities and non-internet securities. The lecture was even more interesting with the cybercrimes happening while using the internet.
- This webinar helped the Faculty members and students to improve their knowledge on the field front end web development and the students may have the opportunity to participate in more workshops.
- The webinar has also motivated the students to learn more about cyber securities and ethical hacking. **69 participants** were attended the webinar successfully.

Impacts on Programme Outcomes:

PO1-Engineering Knowledge:

This webinar provides basic engineering knowledge on cyber environment and their securities issues.

Scanned by TapScanner

PO3 - Design/development of solutions:

This webinar helps to save guard yourself from being attacked by software hacker design a good software to save from cyber security issues write Programming and customize the front page depending on customer requirement and client various applications

PO11-Project Management and finance:

This webinar motivated many of the students to know about the cyber-attacks various ways to escape from cyber security attacks.

PO12-Life-long Learning:

This webinar provides information on security issues and protect us from other external software threats hence helps life-long learning.
