Permission Letter

From

    Mr. SIVASANKAR RAJAMANI. P

    Associate Professor,

    Department of ECE,

    K.S.R. College of Engineering,

    Tiruchengode - 637 215

To

    The Principal,

    K.S.R. College of Engineering,

    Tiruchengode – 637 215

Respected Sir,

    Sub: Webinar on **"Modern front end web development"** - Permission requested - Reg.

    The ECE department has planned to conduct a Free Webinar on **"Modern front end web development"** sponsored by **SKILL LYNC** on **1.10.2021at 04.00 PM**. We request you to grant permission to conduct the Webinar.

Thanking You

Yours sincerely,

Sivasankar Rajamani
Place: Tiruchengode

Date: 24.09.2021

PO3 - Design/development of solutions:

This webinar helps to Programming on web development and customize the front page depending on customer requirement and clientvarious applications
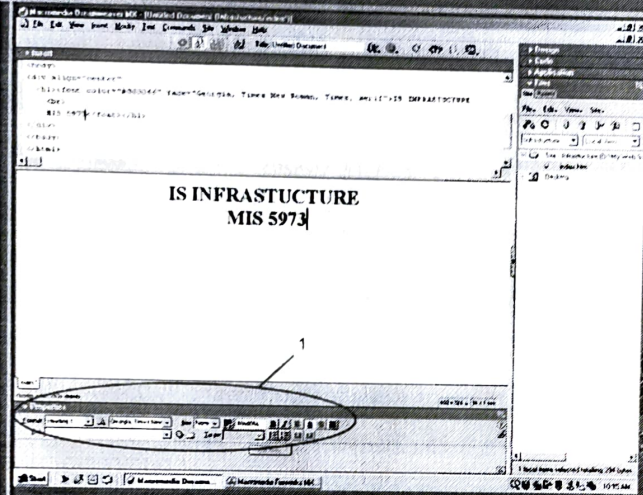

PO11-Project Management and finance:

This webinar motivated many of the students to do project on Web Development Programming.

PO12-Life-long Learning:

This webinar provides information on web development in various platform for various application in day today activities hence helps life-long learning.

DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

FREE WEBINAR ON "Modern Front End Web Development"

24.09.2021

WEBINAR REPORT

Department of Electronics and Communication Engineering, K.S.R College of Engineering (Autonomous), Tiruchengode Organized a Webinar on **"Modern Front End Web Development"** in association with **SKILL LYNC**on**1.10.2021 at 4.00 PM** through Google meet linkhttps://meet.google.com/bmz-sjji-tym ·

The Webinar began with welcome address by **Dr.P.S.Periasamy**the Head of the Department, ECE.He introduced the resource person **Mr. V.GOWRI SANKAR Trainer,SKILL LYNC**; to deliver the lectureand welcomed all the participants.

Impact Analysis on Webinar

- The webinar was very useful to the Faculty members and students to learn about the fundamentalsModern front end web development. It was very useful for gaining knowledge regardingWeb Development and customizes the page as required for the client or customer. The lecture was even more interesting with the web designing with liveProgramminganddemonstrations.

- This webinar helped the Faculty members and students to improve their knowledge on the field front end web development and the students may have the opportunity to participate in more workshops.

- The webinar has also motivated the students to do more projects on web development. **49participants** were attended the webinar successfully.

Impacts on Programme Outcomes:

PO1-Engineering Knowledge:

This webinar provides basic engineering knowledge on front end Web Development Programming.
