Memorandum of Understanding

The Memorandum of Understanding is entered on May 25, 2018 at KSRCE campus, Tiruchengode as part of Institute Industry Partnership.

Between

K.S.R. College of Engineering, Tiruchengode

And

Erode District Civil Engineers Association, Erode

In accordance with a mutual desire to promote a greater interaction between Erode District Civil Engineers Association (EDCEA), Erode and K.S.R. College of Engineering (KSRCE), Tiruchengode.

Mutual Understanding

During contemplation, both the parties agree as work together to achieve the following objectives:

- To contribute the ability of the students towards actual practical work environment and practical applications of the knowledge gained
- To establish a close and continuing interaction between the EDCEA, Erode and KSRCE, Tiruchengode to discuss professional practicing Civil Engineering issues.
- To exchange the technical ideas and delivering expert lectures in professional Civil Engineering practice
- To organize site/field visits for Civil Engineering students and faculty to promote an interaction between the Civil Engineering students and the construction industry professionals
- To become a student membership in EDCEA, pre-final and final year students are eligible.
- To develop a relationship between professional associations and academic/ educational institutes to keep knowledge up-to-date by exchanging advancement in construction practice.
- To arrange campus placements to institutional membership for need basis will be given. Students of institutional membership will get good opportunity in participating campus selection program.
- To provide training in the mutually agreed area by organizing scheduled sessions/seminars and interaction with the Civil Engineering students.
- Both parties may invite participation in seminars/workshops/conferences/training organized by either party for dissemination of knowledge among the Civil Engineers in particular and the society at large.
- KSRCE provides all other basic infrastructures for seminars/workshop/lectures like halls/auditorium and other related facilities.
- Parties understand and acknowledge that they are making a significant commitment to this collaborative effort. Accordingly, parties agree to expand their best efforts on their implementation and successful continuation of the said venture.
- This MoU shall remain until the end of the life time.

Broadly, the basic objectives are

- The main objective of the MoU is to encourage and foster the ideals of the profession, to hold conferences/ meetings/workshop/ seminars for dissemination of knowledge amongst the civil engineers in particular and the society at large.
- To foster ideals of profession, promote friendship; establish rules for professional and ethical conduct and to develop social awareness and responsibility among the members.
- To bring to the members the latest technological advancements in the world, prepare them to carry out futuristic designs with an eye on assurance of quality.
- To identify the areas in which consultants can contribute to the betterment of the Country like rural housing, urban development, low cost housing and so on.

Both the parties recognize that this Memorandum of Understanding establishes a foundation of mutual understanding and interest and does not in itself entail any financial obligations for either party.

This agreement shall become valid upon signing by both sides, and will be in force from the date of signing, with the understanding that the agreement may be cancelled by either side effective not less than one month notice in writing is given by one of the parties to the other party.

Namakkal Dist., Tamilnadu

PURPOSE OF THIS MOU:

This MOU is a document between both the parties to work together for the welfare of students without any financial commitment on either side as mentioned below:-

1. Party 1 can make use of the laboratory and library facilities of Party 2 for their R&D and testing works, on mutual consultation.
2. Party 1 can send their staff as delegates to attend Conferences/Seminars/Symposia etc., including video conferences conducted by Party 2, at the college, free of any registration fee.
3. Party 1 can assign hardware and software projects, relevant to their industry, suitable to the final year BE and ME students to carry out the same in the Industry / Institution as part of the academic requirements of the students, on mutual consultation and guide the students as Project Guides / Co-Guides.
4. Party 1 can request Party 2 to impart training, including induction and orientation training to the newly recruited Engineers / Technical Staff of party 1 to update them with the latest techniques, on mutual consultation without any financial commitment to Party 2.
5. Party 2 can request Party 1 to permit the students and staff of the college i.e. Party 2, to visit the industry of Party 1 / to undergo practical training in the industry of Party 1 for short periods, on mutual consultation, for the growth of students, without any financial commitment to Party 1.
6. Party 2 can request Party 1 to send resource persons to give special lectures for the benefit of the students and faculty on mutual consultation depending on their availability and vice-versa.

TERMS AND CONDITIONS

1. This agreement will act only as an authorization and in no way to be used for profitable business or financial commitment between the two parties.
2. This agreement is limited to the department of EEE of KSRCE and may be extended to other departments on a new amendment document added to this, if agreed upon, by both the parties.
3. Party 1 cannot run profitable private business inside / outside the campus of party 2 and cannot influence the students professionally or otherwise.
4. Party 2 cannot influence the operations of party 1 apart from the purpose of this MOU.
5. Since there is no financial commitment agreed between the parties, no payments or defamation claims can be made by either of the parties, on closure or termination of this purely gentlemen's agreement.

DOCUMENTS LIABILITY LIMITATIONS:

This document is valid up to the date stated above and within the taluk limits of Tiruchengode and Erode. Any of the parties may use this document as a proof of association for the above stated limited purposes.

And

PARTY B: K.S.R. College of Engineering, K.S.R. Kalvi Nagar,
Tiruchengode, Namakkal (DT), Tamilnadu, India

The aforementioned parties are interested in investigating collaborative opportunities that could advance research and consulting services. The parties are happy to declare their shared intent to look into the following collaborative opportunities:

1. The general purpose of this MoU is to facilitate mutually beneficial research collaboration between the parties which are:
 - a) A grant to support research projects
 - b) Consultation services

2. As per the terms of this agreement and as mutually agreed upon, the Party B shall offer consulting services to the Party A. In line with generally recognized professional standards and practices, Party B shall exercise all due care, attention, and economy in performing the services and carrying out its duties under this agreement.
3. The Party B shall submit the research proposals to Party A with an intention to solve industry problems/new product development.
4. The Party A shall support Party B by providing research grants to the proposals and provide necessary facilities in the industry.
5. Any grants or consulting work must first have written approval and consent from Party A before Party B can begin.
6. The Party A and B provide the necessary facilities and resources mutually for the duration of this agreement to provide the services.
7. The Party B can undertake the work at its premises to provide the services.
8. The Party B shall be accountable for and propose payment for all reasonable costs related to the efficient performance of its obligations under this agreement.
9. The Party B shall be entitled to invoice the Party A within a week.
10. The invoice must be paid promptly upon request by the Party A within 15 days of receipt of the invoice.
11. The Party A shall be responsible to pay the Party B for the costs incurred in undertaking the project as per the agreement.
12. The Party A shall release adequate grants on approval of the proposal.
13. The Party B has to submit a periodic report about the status of the work to the Party A.
14. As performance of the service is time-sensitive, Party B undertakes to complete the job by the deadline.
15. The Party B shall submit utilization certificate on completion of the project
16. The parties agree to provide more resources in subsequent agreements. The Parties shall cooperate and participate equally in all areas of planning, carrying out, and developing research activities.

MoU Renewal and Termination

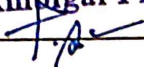

This MoU shall continue for a period of five years. Prior to the expiry of this MoU, the parties may mutually agree to renew this MoU for additional consecutive periods of five years. Either party may terminate this MoU by giving the other party six months' prior written notice.

In the event of early termination of this MoU, the parties will honour all commitments until such time. Expiry of the MoU shall not affect the progress of the project and agreement. On termination of this MOU, each Party shall fulfill their commitment towards the agreement and Party A shall pay the cost incurred to the commensurate the work carried out.

This agreement shall commence upon the effective date, as stated below, and will continue until 01.03.2023.

The Parties agree to the terms and conditions set forth above as demonstrated by their signatures as follows:

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ('MoU') is executed on January 15, 2018, at Hyderabad BY AND BETWEEN

VIRTUSA CONSULTING SERVICES PRIVATE LIMITED. a Company incorporated under the provisions of Companies Act. 1956 and having its registered office at Sy. No.115, Nanakramguda Village, Serilingampally Mandal, Ranga Reddy District, Hyderabad – 500032 represented by its authorized signatory, hereinafter referred to as "Virtusa" on the ONE PART (which expression whenever used shall mean and include its successors, administrators and assigns),

Private and confidential – MoU between Virtusa Consulting Service Private Limited and K.S.R.Educational Institutions

AND

K.S.R. EDUCATIONAL INSTITUTIONS, declared as a INSTITUTION and having its campus at KSR Kalvi Nagar, Tiruchengode - 637215, Namakkal (DT), Tamil Nadu represented by its authorized signatory Mr.R.Srinivasan.

Hereinafter referred to as 'Institution' on the OTHER PART (which expression whenever used shall mean and include its successors, administrators and assigns).

(Virtusa and Institution are individually referred to as 'Party' and collectively referred to as 'Parties').

WHEREAS Virtusa is a global information technology services company and provides IT and business consulting, application support and maintenance, development, systems Integration and managed services to its customers.

AND WHEREAS Institution is a Education entity and providing quality education in Engineering, Arts and Science, Technical, Dental science and etc., for the rural students.

Institution has evolved a comprehensive student-centric learning approach consisting of several stages, designed to add significant values to the learner's understanding in an integrated manner, covering relevant knowledge, practical skills and positive attitudes.

AND WHEREAS Institution, for the purpose of enriching practical skills and imparting industry relevant course curriculum to students of all engineering disciplines in the field of Information Technology (IT),has approached Virtusa for forging an industry-institute academic alliance with the intent to facilitate and train Institution's students and faculty on CRM by utilizing Virtusa's relevant experience and by deputing Virtusa's representatives from time to time at the Institution with the object of providing exposure to Institution's faculty and students to current industrial needs and requirements.

AND WHEREAS Virtusa, with a bona fide and non-commercial intention of serving the purpose of education and making the students more exposed to the present industrial needs and requirements thereby reducing the cost and time involved in training and making them skill based personnel after graduation, has accepted the request of Institution.

Accordingly, the Parties have decided to reduce into writing their mutual representations and understanding as stated hereunder:

NOW THIS MOU WITNESSETH AS FOLLOWS:

Pursuant to the foregoing covenants, the Parties hereby agree and state as follows;

1. That the Parties on this day have executed this MOU with an intention to enhance the quality of the educational experience for students and training of faculty of Institution and also for industry institute collaboration between the Parties for mutual benefit and pursuant thereto the Parties agreed for:

- (a) Virtusa may as mutually agreed from time to time, provide Institution with certain material and access to the CRM library and collaterals and Institution shall use the materials and access to the CRM library under the guidance of Virtusa and only for the purposes of this MOU.
- (b) If requested by Virtusa, the Institution will nominate two or three faculty members for undergoing the Train the Trainer program at Virtusa's office at Hyderabad for two weeks. The faculty, after completion of certification, will be allowed to train certain number of students as agreed upon in writing from time to time.
- (c) The final year students to be trained will be pre-selected by Virtusa (hereinafter referred to as the 'Pre-selected students').
- (d) The course will be imparted for the duration specified by Virtusa as an additional training program. This program will be run during the pre-final semester of the graduation course being offered by Institution for the Pre-selected students.

- (e) Institution is not allowed to charge the Pre-selected students any fee for this course. If it is found that Institution has charged fees for this program from students, Virtusa will have right to immediately terminate this MoU and stop all association with the Institution.
- (f) Institution is not allowed to train any other students pursuant to this MoU other than the Pre-selected students by Virtusa.
- (g) Virtusa shall retain the right of first refusal for making employment offers on completion of their graduation from the pool of Pre-selected students. This is however not applied for the students who are not pre-selected by Virtusa or have not been made part of the training program pursuant to this MoU.
- (h) Pre-selected students who undergo this program as part of their pre-final semester may also be given an internship opportunity by Virtusa either in its office or through virtual mode.
- (i) Institution will at its own cost establish a lab with the specified infrastructure requirements of Virtusa and will use the lab exclusively for imparting the course/training pursuant to this MoU. This lab will be exclusive to the use of the purpose stated and will not be used for running other courses of the Institution.

2. The MoU shall be valid for one (1) year from the date of execution. The Parties shall be at full liberty to terminate the MoU at any time by issuing prior notice of thirty (30) days. The Parties shall make reasonable efforts for the performance of the MoU and shall in good faith co-operate with each other in duly performing the obligation agreed upon. The Parties herein have agreed to perform various obligations with a voluntary service motive and there is no monetary obligation/consideration involved herein between the Parties. Under no circumstances, Virtusa shall be treated as the vendor, contractor and agent of Institution (or vice-versa).

3. Institution shall have to bear all expenses towards providing infrastructure, network and internet access and the other facilities required for the education and training. Institution will not use the material, or access to the Adobe AEM library for any other use other than the above mentioned process. Training of the faculty members or more number of students than agreed or using licenses for any other commercial/non-commercial purposes will be a breach of this MoU and such use may attract legal action along with immediate termination of the MOU. 4. The Institution shall indemnify, defend and hold Virtusa, its subsidiaries and affiliates thereof and their respective officers, directors, agents and employees, harmless

from and against all claims, damages, liabilities, costs, losses and expenses, including reasonable attorneys' fees and expenses incurred, related to or arising from: (i) bodily injury or damage to property incurred from or in connection with the performance of Institution under this MoU; (ii) any claim by or against Virtusa arising out of a breach by the Institution of any obligations (including, without limitation, any warranty, confidentiality, intellectual property, assignment obligations) under this Agreement; (iii) the infringement, misappropriation or a claim of infringement or misappropriation of any patent, copyright, trademark or other proprietary or intellectual property right of a third party; (iv) the acts, omissions, negligence or misconduct of the Institution or its students, officers, directors, agents, representatives, assigns, personnel and employees; (v) any claims by the students or third parties against Virutsa related to this MoU.

5. Virtusa may also provide the Institution with publicity material such as handouts, information brochures and posters, and the Institution shall return any such materials, to Virtusa on the termination or expiry of this MOU, or as and when requested to do so by Virtusa.

6. Except for collaboration related to CRM, Institution is not barred from having collaborations with other organizations. Except as expressly stated in this MoU, there shall be no obligation on any party to compensate the other in any manner or any claim. For initiatives which are planned for CRM domain, Institution can invite guest speakers with prior approval from Virtusa. Any other event in this domain will be conducted in collaboration with Virtusa.

7. The Parties shall independently meet their expenditure incurred by the respective Parties in performing their part of obligations agreed herein.

8. The Parties shall respect the intellectual property of the other party and third parties and shall not use the trade name, trade mark, copyright, patent, symbol or designation belonging to the other party without prior approval and permission. No party shall claim itself as an agent or representative of the other party or create any liability for the other party.

9. The Parties shall maintain confidentiality of all information, course materials, plans, discussions, strategies, data or any material which shall be deemed to be confidential.

10. IN NO EVENT SHALL (A) EITHER PARTY BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OF ANY NATURE WHATSOEVER, WHETHER IN CONTRACT, WARRANTY OR TORT, INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, REVENUE, DATA, COVER, LOSS OF OR INTERRUPTION OF BUSINESS OF CUSTOMER OR ANY OTHER PARTY ARISING OUT OF OR IN CONNECTION

WITH THE DELIVERY, USE OR PERFORMANCE OF THE SERVICES, THE DELIVERABLES, ANY SOFTWARE OR ANY OTHER MATERIALS OR ITEMS, EVEN IF THAT PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR EVEN IF SUCH DAMAGES ARE REASONABLY FORESEEABLE; AND (B) VIRTUSA'S AGGREGATE LIABILITY ARISING OUT OF THIS MOU FOR ANY CLAIM OR CLAIMS EXCEED INR 1000.

11. The parties represent that they have the full power and authority to enter into this MOU in general and none of the objects stipulated herein are against public policy.

12. The Parties shall designate their respective representatives who shall be the primary point of contact on behalf of that party.

13. Neither of the parties shall not use the name of the party in any advertisement nor make any public announcement without the prior written approval of the other party.

14. Virtusa will be provided the day one or day two slot during the campus placements by the Institution, which will be finalized based on mutual discussion and agreement.

15. The Parties hereby agree that Virtusa shall not be under any obligation under this MOU to recruit any students from the Institution and the latter shall not make any claims in that regard.

16. The parties may negotiate amendments to this MOU, if necessary, to meet the evolving requirements. Any amendment and / or modifications to the MOU will require written approval from both parties.

IN WRITTEN WHEREOF both parties put their hard seal on the day, month and year stated herein above;

MEMORANDUM OF UNDERSTANDING
BETWEEN
K.S.R. COLLEGE OF ENGINEERING
AND
SRI NAVASAKTHE PAPER BOARDS

This memorandum of understanding (MoU) is executed on 09th October 2017, Sri Navasakthe Paper Boards, Tiruchengode, represented by its Mr. K.P. Abirajan, Managing Director, the company shall hereafter referred to as SNPB as which expression shall include its successors, legal heirs and assigns on the one part

and

K.S.R. College of Engineering, K.S.R. Kalvi Nagar, (Near Erode) Tiruchengode – 637 215, Namakkal District, Tamilnadu, represented by its Principal Dr. P. Senthilkumar, hereinafter referred to as the KSRCE, which expression shall include its successors, legal heirs and assigns on the other part.

For Sri Nava Sakthe Paper Boards.

K.P. Abirajan
MANAGING PARTNER
SRI NAVA SAKTHE PAPER BOARDS,
310 / 2-C, Kattu Ponglianoor,
THOKKAVADI KSR POST,
TIRUCHENGODE-637 215,
NAMAKKAL DISTRICT.

Dr. P. Senthil Kumar, M.E., Ph.D., (IITM),
PRINCIPAL,
K. S. R. COLLEGE OF ENGINEERING,
K. S. R. KALVI NAGAR,
TIRUCHENGODE-637 215,
NAMAKKAL DI, TAMIL NADU.

Now this memorandum witness

1. All will extend the technical facilities available at their premises to provide on-the-job training (OJT), Industrial Visit, In-plant Training and Placement for select students who are studying Bachelor degree in Automobile Engineering in KSRCE.
2. In the first phase, maximum of 12 students from Bachelor degree program – 3rd/4th year will be considered for Industry Internship.
3. KSRCE will create the student's curriculum as per university guidelines / UGC requirement and all will support in imparting the OJT to students.
4. KSRCE will ensure that the selected students as interns are covered under the group medical insurance policy for a value of Rs.1 lakh covering their internship period. KSRCE shall share the policy copies of the students, based on which the approval for "Industry Internship" will be accorded by SNPB.
6. It is mutually agreed that SNPB will not be responsible for any accident(s) caused to the Engineering Interns due to their negligence, carelessness or any other reason.
7. KSRCE will provide technical support / consultancy to SNPB as and when required, and on a case-to-case basis, with mutually agreed terms and conditions.
8. KSRCE will inform, involve or collaborate with SNPB in any technical program to be conducted by the college, which will be of any interest, relevant and beneficial to SNPB.

Selection process and terms of internship/in-plant training

1. Students have to give their willingness for internship/ in-plant training.
2. Students should provide NOC (No Objection Certificate) from institution and their parents.
3. During this period, students will have to make their own arrangement for their stay/commutation, etc.
4. Students need to follow the rules and regulation of the company.
5. Students should wear the dress code as per the company with safety shoe (Meeting the standard EN ISO 20345).
6. Project progress review will be conducted once in a month along with SNPB executives & KSRCE professors to understand and guide the student and do the necessary evaluation / correction in learning & development.
7. Students have to follow the work culture of SNPB.

Selection process of Industrial Visit

1. All the second and third year students have to compulsorily attend at least one industrial visit to SNPB.
2. During Industrial Visit Students should wear the formal dress code with safety shoes (Meeting the standard EN ISO 20345).
3. Proper Prior permission from SNPB and KSRCE is mandatory for the industrial visit.
4. The industrial Visit in charge should ensure the transportation, discipline and safety of students during the industrial visit.

MEMORANDUM OF UNDERSTANDING
BETWEEN
K.S.R. COLLEGE OF ENGINEERING
AND
THE NOBLE MOTORS

This Memorandum of Understanding (hereinafter called as the 'MOU') is entered into on this the 17th Day of August, 2017 Year by and between K.S.R. College of Engineering, the First Party represented here in by its Dr.P.SenthilKumar/ Principal, K.S.R.College of Engineering (herein after refer it as 'First Party', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors-in-office, administrators and assigns). AND THE NOBLE MOTORS, ERODE, the Second Party, and represented here in by its M/S The Noble Motors, (herein after referred to as "Second Party", Company which expression, unless excluded by or repugnant to the subject or context shall include its successors-in-office, administrators and assigns).

First Party and Second Party are here in after jointly referred to as 'Parties' and individually as 'Party') and WHEREAS:

The First Party & Second Party believes that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities to benefit students and jobseekers.

The Parties intend to cooperate within the area of Skill Based Training and Placement Assistance and Internships.

Now, therefore, in consideration of the mutual promises set forth in this MoU, the parties here to agree as follows:

1. SCOPE OF THE MOU

Co-operation and Collaboration:

The students from the institution can play a key role in Technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge and career prospects.

Placement of Trained Students:

The Second Party will actively engage to help the placement of the students of the First Party in suitable jobs and internships. There is no financial commitment on the part of either party in the scope of these assisted placement initiatives offered by the Second Party. The placement assistance offered is completeness, the accuracy of the information, quality of audio and video etc. Noble Motors and its representatives will screen and shortlist the students for various available opportunities based on skills, experience, job location, and any other fitment parameters necessary. While the intent is to place as all qualified students as far as possible, there is no assurance from The Second Party on placement outcomes since this depends on a host of factors and fitment Criteria. If a student is successfully placed in a job/program/internship in which the client trains students invest money in skill up-gradation but chooses to leave the job/program within 3 months from the start Date for whatever reason OR is asked to leave for reasons or performance, conduct any other reason, the first Party agrees to offer a suitable replacement candidate as soon as possible.

2. INTELLECTUAL PROPERTY

Nothing contained in this MOU shall, by express grant, implication, estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copyrights and designs) of the other Party.

3. VALIDITY

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, both Parties will take effective steps for implementation of this MOU. Any act on the part of either party after termination of this Agreement by way of communication, correspondence, etc., shall not be construed as an extension of this MOU. Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the Event of termination, both parties must discharge their obligations as mutually discussed.

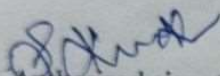

4. NON-CIRCUMVENTION

The First Party agrees not to engage with, directly or indirectly, the clients of the Second Party while the MOU is active.

5. RELATIONSHIP BETWEEN THE PARTIES

It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having any authority under the terms of this MOU to make.

MEMORANDUM OF UNDERSTANDING

 Formac

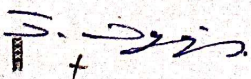

This Memorandum of Understanding (this "MOU") is made on the 10th day of April 2017 (10/04/2017) at Bangalore.

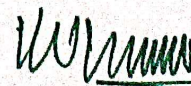

BY AND BETWEEN

M/S Formac Software Service Private Limited, a company incorporated under the provisions of the Companies Act, 1956 and having its registered office at Ground floor, Agni Block, Salarpuria G.R Tech Park, ITPL Main Road, Whitefield, Bangalore - 560066 (hereinafter referred to as "Formac" which expression shall, unless repugnant to the subject or context thereof, be deemed to include and mean its nominees, successors and

AND

K.S.R College of Engineering (KSRC), having its campus at K.S.R Kalvi Nagar, Tiruchengode, Namakkal (DT), Tamilnadu -637215 (hereinafter referred to as "Receiving Party" which expression shall unless repugnant to the subject or context thereof, be deemed to include and mean its nominees, successors and substitutes or assigns).

The parties to this MOU are individually referred to as the "party" and collectively referred to as "parties"

WHEREAS

- A. Formac is a subsidiary of Formac Inc. (USA) which was founded in February 2008. Formac is a software development and IT services company catering to the needs of various target audience.
- B. Receiving Party is an Engineering College Affiliated to Anna University, Chennai and approved by All India Council for Technical Education (AICTE), New Delhi.
- C. Receiving party wishes to collaborate with Formac for its skill enhancement software (Epracto) on the terms and conditions set forth in this MOU.

NOW, THE PARTIES HEREBY DO MUTUALLY PLEDGE AND AGREE AS FOLLOWS:

1. DEFINITIONS

"MOU" means this Memorandum of Understanding (MOU) including all the Schedules attached hereto.
"Effective Date" means the date upon which this MOU is executed by the last party to sign.

2. OBJECTIVES AND SERVICES

Formac had presented the proposal for online skill enhancement software (EPRACTO) which is accepted by the receiving party. The agreed services are set out in **Schedule 1** to this MOU.

3. RATES AND PAYMENT

The Receiving Party agrees to pay Formac as per the agreed rates detailed below as per **Schedule 2**. Formac will submit the invoices to the Receiving Party; the Receiving Party shall pay Formac within seven (7) days of the date of submission of the Invoice.

The invoices shall be raised on completion of the stages as provided in the Schedule 2.

In the event of payment is delayed beyond 15 days from the date of submission of the invoice, interest at the rate of 2% per month will be payable by the Receiving Party on all such delayed payments.

4. WORKING ARRANGEMENTS

Formac will provide functional credentials (as per the initial license count mentioned in Schedule 1); the Receiving Party agrees to ensure the basic technical pre-requisites as per the Annexure 1, for the installation and functioning of the tool.

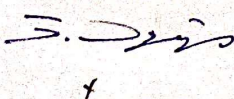

Formac will provide an initial knowledge transfer on how to use the software to the concerned stakeholders within 7 days of installation, via any feasible means (Demo / Communication mailers / Handouts and materials etc.) to the designated user(s) by the Receiving Party.

5. CONFIDENTIAL INFORMATION

Both parties hereby agree to hold secrecy and confidentiality of any / all of the material(s) provided to them from the other party. Neither party will at any time whether during or after termination of this MOU (unless expressly authorized by the other party as part of the performance of its duties) disclose to any person or make use of any confidential information or trade secrets known to them as a direct result of this relationship.

6. INTELLECTUAL PROPERTY

The Receiving Party agrees that all ideas, concepts, and other intellectual property rights related in any way to the techniques, knowledge or processes of the Formac's services or products, whether or not developed or implemented for the Receiving Party, shall be the sole and exclusive property of the Formac. Formac shall have the sole and exclusive right, title and ownership to the said technology. This clause shall survive expiration or termination of this MOU.

This MOU is valid till the completion of the services as provided in the Schedule 1 and after receiving party clears all the scheduled payments.

The Receiving Party can terminate this MOU at any stage by paying the entire fee (100% payment, not partial) agreed in the **Schedule 2**.

The MOU can be terminated by mutual understanding made between the parties in writing.

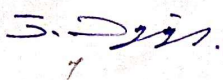

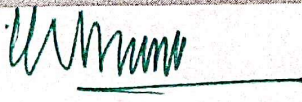

Formac shall not be liable to the Receiving Party, its customers, students and/or its partners, for any direct, indirect, incidental, special, consequential or exemplary losses or damages including but not limited to, loss of profits, goodwill, data or other intangible losses suffered by them or either of them, and/or for expenses or costs incurred by them or either of them and arising out of the performance by Formac of its obligations under this MOU and/or in connection with the developed solution. Except as expressly provided hereunder, Formac's maximum liability shall not exceed the total sums paid by Receiving Party to Formac in accordance with this MOU.

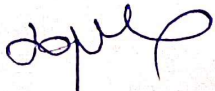

This MOU constitutes the complete understanding and agreement of the parties with respect to the subject matter hereof and supersedes and merges any prior understandings, statements, negotiations between the parties, whether oral or otherwise. This MOU may not be modified at any stage, except a written consent for the same by both parties.

If and to the extent that a party's performance of any of its obligations pursuant to this MoU is prevented, hindered or delayed by fire, flood, earthquake, elements of nature or acts of God, acts of war, terrorism, riots, civil disorders, rebellions or revolutions, or any other similar cause beyond the reasonable control of such party (but specifically excluding labor, students and union-related activities and transportation) (each, a "Force Majeure Event"), then the non-performing, hindered or delayed party shall be excused for such non-performance, hindrance or delay, as applicable, of those obligations affected by the Force Majeure Event for as long as such Force Majeure Event continues and such party continues to use its best efforts to recommence performance whenever and to whatever extent possible without delay, including through the use of alternate sources or other means. The party whose performance is prevented, hindered or delayed by a Force Majeure Event shall immediately notify the other party of the occurrence of the Force Majeure Event and describe in reasonable detail the nature of the Force Majeure Event. Nothing in this Section shall limit the Receiving Party from paying any fees for Services rendered prior to the Force Majeure Event.

This MOU is a result of the mutual consent of both the parties. However, due to any circumstances if either of the involved party is not satisfied with the conduct / obligation bound under it, the discrepancies can be resolved under the Legal Jurisdiction of the Bangalore Court.

Subject: Infosys Campus Connect Foundation Program 3.1 Certificates

Dear Sir,

Congratulations!! Your college has successfully completed the Infosys Campus Connect Foundation Program 3.1.

We appreciate your leadership and commitment in rolling out the Infosys Campus Connect Program (Generic courses) 3.1 to the students of your college. This is a major milestone in the journey of partnership, and we are sure this program will help the students to be "industry-ready".

In this regard, we are pleased to share with you some highlights:

1. Number of students who underwent the program: 131 (Batches -2)
2. Number of students who are eligible for issue of certificates: 117
3. A detailed set of guidelines is also attached for preparation and issuing of certificates
4. The prizes (books) for the top 3 students of each batch of the training program.

We request you to make arrangement for the distribution of certificates and the prizes to the eligible students in a suitable event.

We are sure we will continue to achieve many more strategic milestones in our Campus Connect journey and look forward to your active participation. We are sure this experience is beneficial to you and your college too

With regards,

Satheesha B. Nanjappa

Infosys Campus Connect Rollout
Guidelines for preparing and issuing Student Certificates

These guidelines are meant for the college (Head of the institute, College point-of-contact, core team) for preparing and issuing the certificates to eligible students on the completion of the Infosys Campus Connect training program. Please read all the guidelines carefully.

These guidelines are meant for the college (Head of the institute, College point-of-contact, core team) for preparing and issuing the certificates to eligible students on the completion of the Infosys Campus Connect Foundation Program. Please read all the guidelines carefully.

1. General

1. Please note that you have received the following
 - i. Cover letter
 - ii. Certificates
 - iii. Prizes (if any)
2. The certificates will be given to the college once the college single point-of-contact, in concurrence with Head of the institute, formally declares the completion of the Foundation Program through a email to Infosys SPOC.
 - i. All the courses have been completed
 - ii. All the courses have been evaluated
 - iii. Results of ONLINE assessment shared
 - iv. Results of Integrated Project Evaluation
 - v. All the scores have been announced to students.
3. The complete list of students and their scores, who have undergone the Foundation Program, have to be reviewed and authorized by the college point-of-contact / core-team.
4. The complete list of students, who have undergone the Foundation Program, will be shared by the college to Infosys SPOC.
5. A Closure report is required to be uploaded on Campus Connect Portal to enable the certificates arrangement.
6. The certificates will be arranged by Infosys to the college. Each certificate will have a PIN code mapped to the student in the college.

7. The college name would already be printed in the front page of the certificate.
8. The certificate will be issued to the students in an event organized by the college. Recognize and reward the top 5 performers in the batch with the prizes provided.
9. The certificate will be issued to only those students as per the eligibility criteria mentioned above.
10. Extreme care is be taken by the college while administering and issuing the certificates.
11. On the bottom right part of the certificate, the certificate will have a PIN code.
12. For further information, please contact your Infosys SPOC.

Before preparing the certificates

1. Familiarize with the certificate layout and the contents to be filled in by the college in the sample certificate provided along with.
2. Gather the Foundation Program roll-out plan
3. Start and end dates
4. Duration
5. Classroom lecture hours for each course
6. Campus Connect Anchor Name, Title, Telephone number
7. The names of the top 5 performers in the batch.
8. The Academic Head / Head of the Institute such as Principal / Dean / Director will sign the certificate.
9. The information has to be neatly and clearly hand-written / typed / printed on the certificate.

During the certificate preparation

1. Front page - Fill the **student's name** and the **student's roll number**.
2. Front page – Fill the **Date of issue**.
3. Back page – Fill the duration at the top. Examples:
 - i. "This program was conducted from Apr to Jul 2005"; or
 - ii. "This program was conducted from Apr to May 2005 and then from Aug to Sep 2005";
or
 - iii. "This program was conducted from Nov to Dec 2005 and then from Feb to Mar 2006".
4. Back page – Fill the Classroom lecture (hrs) as was executed for the batch.
5. Back page – Fill the **percentage scores** that a student has scored for all the courses.

6. Back page – Fill the **contact name, title and phone number**. The contact name would be the Campus Connect Program Anchor's name at your college. Example of Title could be – “Asst. Professor and Campus Connect Program Anchor”, “Training & Placement Officer and Campus Connect Program Anchor” etc. The phone will be an official number to reach and verify if required. If already have a seal / stamp, pl. use it.
7. *Back page - If there is any human error during the certificate preparation, there are some spare certificates provided. Pl. note that the spare certificates do not have the PIN code printed at the back. Fill the corresponding PIN code manually for such cases on the back side at the bottom right. A certificate without a PIN number is invalid.*
8. Front page - Stamp the **authorized seal and designation of the signatory** near the signature space at the bottom.
9. Front page – Obtain the **authorized signature** from the Head of the institution

After the certificate preparation

1. Review once all the certificates are ready. The college is fully responsible in ensuring the correctness of the certificates.
2. Return the damaged certificates by post to the Campus Connect admin for inventory control and management. Pl. arrange an email to Infosys SPOC within two weeks of receiving the certificates about the following:

- (a) Total no. of certificates received = << >>
 - (b) No. of certificates distributed = << >>
 - (c) No. of certificates damaged = << >>
 - (d) No. of certificates retained with college = << >>
- Note** $a = b + c + d$

Extreme care is to be taken by the partner college while administering and issuing the certificates.

Infosys Campus Connect

Renewal of Memorandum of Understanding (MOU)

Of Campus Connect Program

Infosys and K.S.R College of Engineering, Tiruchengode had entered into a Memorandum of Understanding (MOU) on Dec 23, 2011 with respect to enriching the technical education process and to jointly work for enhancing the quality of education imparted to students, faculty and management of selected colleges of the University related to the field of Information Technology (IT). This MoU was subsequently renewed on 20-Jan-14. The term of MOU will be expiring on 19-Jan-16. The parties wish to extend this MOU for further period of Two (2) Years, and therefore agree the term of the MOU till 18-Jan-18.

The Campus Connect MoU has undergone some modifications. The modified version is given along with this. The terms and conditions of the partnership are detailed out in the MoU.
