ABOUT THE COLLEGE

K.S.R. College of Engineering was established in the year 2001 by the Aarthi Educational and Charitable Trust, approved by AICTE and affiliated to ANNA UNIVERSITY. This college is Accredited by NAAC with 'A' Grade and Recognized by UGC, New Delhi with 2(f) & 12(B) Status. Our college offers seven B.E/B.Tech. Degree programmes, MCA, MBA & seven M.E programmes.

The college has completed eighteen years of dedicated service in the field of Technical Education with avowed mission to scrupulously make expert and ethical technocrats committed to bringing about creative advancements for a better world.

ABOUT THE DEPARTMENT

Department of CSE was started in the year 2001 initially with B.E Programme. With the increasing demand in Computer Science and Engineering, M.E programme was started in the year 2007 and M.Tech (Multimedia Technology) was started in the year 2012. The department is recognized to offer the research programme for Ph.D. The department aims at developing intellectually alert, scientifically progressive, globally competent and dynamic young IT professionals. The students are transformed into technically qualified & employable human resources for the development of society.

ABOUT THE SEMINAR

Visual thinking is a learning style where the learner better understands and retains information, when ideas words and concepts are associated with images. Research tells us that the majority of students in a regular classroom need to see information in order to learn it. Some common visual learning strategies include creating graphic organizers, diagramming, mind mapping, outlining and much more. Research in both educational theory and cognitive psychology tells us that visual learning is among the very best methods for teaching students of all ages how to think and how to learn.

OBJECTIVE

Visual learning helps students

- clarify their thoughts
- organize and analyze information
- integrate new knowledge and think critically

PROGRAMME STRUCTURE

- Art of visual learning
- Unforgettable real life connection in videos
- Learning through visually engaging videos
- Visual learning- C Programming , Pointers in C Data structures.

TECHNICAL REPORT

On behalf of Computer Science and Engineering department, K.S.R College of Engineering, organizing ISTE sponsored one-day National Seminar on **"Power of Visual Learning"**. With the help of such kind of Seminar programs, we can enhance the technical knowledge of students. This seminar aims to provide opportunities to faculty members, to enrich their technical knowledge and research in the field of visual learning.
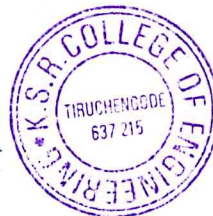

The seminar was started with inaugural function and inaugural address was delivered by resource person Dr.R.Premkumar, Founder Log2base2, Chennai in the presence of Dr.P. Senthilkumar, Principal, Dean, Directors, Head of various departments and Faculty members. The session was started after inaugural function and each session were guided by well qualified and experienced faculty members of other and also our institution.

As the outcome of this seminar, all the technical sessions were very much informative to the participants. The discussed topics were great benefit for the participants as they are doing research in this field. Department of Computer Science and Engineering is proud to organize this seminar in successful way.
