ABOUT THE COLLEGE

K.S.R. College of Engineering (Autonomous) was established in the year 2001 by the Aarthi Educational and Charitable Trust, approved by AICTE and affiliated to Anna University. This college is Accredited by NAAC with 'A' grade and NBA Accredited Institution. The college offers eight B.E/B.Tech. Degree programmes, MCA, MBA & seven M.E. programmes. The college has completed twenty years of dedicated service in the field of Technical Education with avowed mission to scrupulously make expert and ethical technocrats committed to bringing about creative advancements for a better world.

ABOUT THE DEPARTMENT

Department of Computer Science and Engineering was started in the year 2001 initially with B.E Programme. With the increasing demand in Computer Science and Engineering, M.E. programme was started in the year 2007. The department is recognized to offer the research programme for Ph.D. under Anna University and accredited by NBA. The department aims at developing intellectually alert, scientifically progressive, globally competent and dynamic young IT professionals. The students are transformed into technically qualified & employable human resources for the development of society.

ABOUT THE FDTP

The objective of this FDTP is to provide in depth focus on technologies those used for accessing services as well as data from the Worldwide Web or Internet. In this digital era web sites are vital part of all organizations. The programme also gives practical knowledge in the development of web based applications and its maintenance.

SCOPE OF THE FDTP

This FDTP provides a platform for interaction and to provide a basic foundation and understanding of Internet Programming.

In this digital era web sites are vital part of all organizations. Internet Programming examines programming models on both client and server sides. A Web client is usually a browser, but may also be a custom application. Servers usually serve out web pages and also host web services.

The major objectives of this FDTP are:

- To construct a basic website using HTML and Cascading Style Sheets.
- To build dynamic web page with validation using Java Script objects and by applying different event handling mechanisms.
- To develop server side programs using Servlets and JSP.
- To construct simple web pages in PHP and to represent data in XML format.
- To apply AJAX and web services to develop interactive web applications.

REGISTRATION FEE DETAILS

- There is no registration fee for this FDTP.
- Registration is restricted to limited participants only.
- Participants are selected on First Come First Serve basis and will be intimated through E-mail.

RESOURCE PERSON

The sessions will be handled by eminent faculty members of reputed institutions, and expert from various Industries.

Online Faculty Development Training Programme on Internet Programming

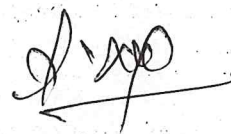

TECHNICAL REPORT

On behalf of Computer Science and Engineering department, K.S.R. College of Engineering, organizing the “Online Faculty Development Training Programme on Internet Programming” held on 21.02.2022 to 26.02.2022. With the help of such kind of faculty development program, we can enhance the technical knowledge of faculty. This faculty development program aims to provide opportunities to faculty members, to enrich their skill development.

The faculty development program was started with inaugural function and inaugural address was delivered by resource person Dr. G. Padmapriya, Saveetha Institute of Medical and Technical Sciences, Chennai, in the presence of Dr.P.Senthilkumar, Principal, Dean, Directors, Head of various departments and Faculty members. At the end of this faculty development program, certificates were issued to the participants during valedictory function.

As the outcome of this faculty development program, all the technical sessions were very much informative to the participants. The discussed topics were great benefit for the participants as they are doing research in this field. Department of Computer Science and Engineering is proud to organize this faculty development program in successful way.
