CALL FOR TECHNICAL PAPERS

Researchers, Academicians and Students are invited to submit their papers on the following disciplines:

- Artificial Intelligence, Machine learning & Deep learning in health care.
- AR/VR/MR in health care.
- Assistive Technologies, Home Monitoring.
- Biomedical Data Mining.
- Biomedical Instrumentation and Electrical Stimulation.
- Biomedical Signal Processing.
- Block chain and Emerging Technology.
- Cloud computing and Bigdata for Health care.
- Computer Aided Detection and Diagnosis.
- Cybermedicine.
- Data Science and predictive analytics.
- Diagnostic Devices.
- Digital innovation on health care.
- Edge and Fog Computing for Medical System and Applications.
- Health Applications.
- Health Monitoring Devices.
- Health care Communication Networks.
- Integrating Wearable Devices Into Patient Care.
- Intelligent and Information Systems.
- Internet of Medical Things.
- IoT and Smart Sensor Networking.
- ICT, Ageing and Disability.
- Knowledge Discovery & Decision Support System in Health Informatics.
- y-Imaging and Visualization Devices.

Topics listed are only for reference. We accept beyond these Topics also.

ABOUT THE CONFERENCE

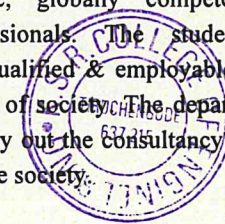

This conference reveals the importance of designing and applying various interdisciplinary techniques for emerging trends and challenges in the field of health care information system and technology. The conference will have effective keynote address and invited talks by international speakers and presentations by participants in the field of health care information system. The objective of this conference is to educate and share the information about various latest interdisciplinary techniques for research peoples in the field of health care information system and technology.

ABOUT THE COLLEGE

K.S.R. College of Engineering (Autonomous) was established in the year 2001 by the Aarthi Educational and Charitable Trust, approved by AICTE and affiliated to Anna University. This college is Accredited by NAAC with 'A' grade. College offers nine B.E/B.Tech. Degree programme, MCA, MBA & seven M.E programme. The college has completed nineteen years of dedicated service in the field of Technical Education with avowed mission to scrupulously make expert and ethical technocrats committed to bringing about creative advancements for a better world.

ABOUT THE DEPARTMENT

Department of CSE was started in the year 2001 initially with B.E Programme. With the increasing demand in Computer Science and Engineering, M.E programme was started in the year 2007. The department is recognized to offer the research programme for Ph.D and accredited by NBA. The department aims at developing intellectually alert, scientifically progressive, globally competent and dynamic young IT professionals. The students are transformed into technically qualified & employable human resources for the development of society. The department is encouraging the faculty to carry out the consultancy services towards the present needs of the society.

PAPER SUBMISSION

- There is no Format for the initial submission of paper. (Initial submission will be used to review the technical content).
- Authors are requested to submit the full paper to icctchit@ksrce.ac.in
- All the submitted papers will be sent for two peer review Technical committee and the corresponding author will be notified the outcome of the review process. If necessary further improvement to be carried out.
- Plagiarism should be avoided.
- The Authors will take the sole responsibility for all issues related to paper regarding plagiarism.

TECHNICAL REPORT

On behalf of Computer Science and Engineering department, K.S.R College Of Engineering, we wish to express our sincere thanks to **All India Council for Technical Education** for sanctioned the “**International Conference on Current Trends and Challenges in Health Care Informatics and Technology** held on 10th and 11th Dec 2020. With the help of such kind of Conference programs, we can enhance the technical knowledge as well as research support to faculty members and student’s community. This conference aims to provide opportunities to faculty members, to interact with other research community people as well as enhance their research knowledge in their field.

The Conference was started with inaugural function and **Welcome Address** was delivered by **Dr. A. Rajivkannan**- Convenor, Professor & Head/CSE, KSRCE, **Inaugural Address** by **Dr. P. Senthil Kumar**- Principal, KSRCE, **Chief Guest Address** by **Dr. Palanivel Sathish Kumar**- Young Talent Fellow, Key Laboratory of Theoretical Chemistry of Environment, School of Chemistry, South China Normal University, **Keynote Address** by **Mr. Karthik Palaniappan**- Manager, Advisory Senior Cyber security & Fraud Investigation Professional, Luxembourg, Germany and **Dr. Shailendra Singh**- Professor, Department of Computer Engineering and Applications, National Institute of Technical Teachers' Training & Research, Bhopal, Madhya Pradesh, INDIA. They have shared their rich knowledge and research opportunities and challenges in the field of Health care informatics and Technology with the participants. Around 170 Participants from various Engineering colleges were participated in the conference along with the presenters and internal faculty members. Finally the **Vote of Thanks delivered** by **Dr. N. S. Nithya**- Coordinator, Associate Professor/CSE, KSRCE.

The technical session was started after inaugural function and each session were handled by well qualified and experienced internal Doctorate faculty members and presenters were present their research paper. More than 120 papers have been received and from that best 60 papers have been already selected by qualified reviewers from various Engineering college doctorate faculty members .The first day of conference 3 technical sessions were conducted. The second day session was started with two **keynote speakers** by **Dr.Prathap Mani Ph.D.**, Professor,Wollo University ,Ethiopia and **Dr.Sathya Geetha Ganesan** ,Utilities Engineer, USA. In the second day three sessions were conducted in online mode and the sessions were handled by well qualified doctorate faculty members. As this conference has been conducted in online mode, the presentation certificates and participation certificates were distributed through online mode.

As the outcome of this Conference seminar, all the technical sessions were very much informative to the participants. This online forum have create a great benefit for the participants as they were attended through online mode without travelling to that place . This Conference was very useful for the participants to know the techniques to handle their research problems and research issues in this present world and enhance their research in this field with various computing techniques. We are very proud to organize this Conference in successful way and thanks for giving opportunity to **All India Council for Technical Education**.
