18.01.2018 & 19.01.2018

Intent of the Seminar:

This type of seminar is conducted to enhance the skill development and research culture of the students and faculty.

Theme:

Our nation needs job makers instead of jobseekers. Instead of looking for jobs youth can try to find new opportunities where they can start their own enterprises with their new ideas. It can be a probable solution for our unemployment problem by creating employment for one's own self and others. A student pursuing Electronics and Communication Engineering can broadly learn about the subgenres of this field, viz., Microelectronics, Embedded Systems / SoC, Communication Engineering/Networking, Digital Signal Processing, Fiber Optics & Photonics and Medical Electronics. This field vastly advances in tandem with the rapid changes in technologies, and finds applications in various important aspects of our lives. So, this seminar improves the skills of the participants and faculty in the field of research methodologies in entrepreneurship.

Topics Covered:

Mr. Leelavinothan, Managing Director, TROY Software India Ltd., delivered a lecture on "Software Design", Dr. C. Manokaran, Assistant Professor, Department of Education, Bharathiyar University gave the lecture on the topic of "Job Giver or Job Seeker". Mr. S. Karthick, Chief Editor, Kongu Malar Online Magazine delivered a lecture on "Online Web Page Design". Dr. Krishnamoorthy K, Dean (R & D), Kongu Engineering College, delivered a lecture on the topic of Micro, Small and Medium Industries and General concepts about the government formalities, Rules and Regulation. Mr. S. Pradeeswaran, Design Engineer, Aries Biomed Technology discussed on "Opportunities available in Biometrics Field". Mr. P. Uvaraj, Delphi Team Head, Automotive systems, delivered a lecture on "Electronics Startup Ideas". Mrs. D. Sumathi, Manager Indian Bank, Kumarapalayam Branch delivered a lecture on "schemes of Assistance and support available from bank. This seminar improves the skills and knowledge of the participants and faculty in the field of research methodologies in entrepreneurship.

INNOVATION AND ENTREPRENEURSHIP IN
ENGINEERING

ORGANIZED BY

Department of ECE

K.S.R. College of Engineering
(Autonomous Institution affiliated to
Anna University, Chennai)

Tiruchengode – 637215

Namakkal District, Tamil Nadu
Website: www.ksrce.ac.in
TIRUCHENGODE-637 215.

ABOUT THE INSTITUTION

K.S.R. College of Engineering was established in the year 2001 by Aarthi Educational and Charitable trust, approved by AICTE, New Delhi and affiliated to Anna University, Chennai. Our College is an ISO 9001–2008(E) certified and accredited by NAAC with 'A' Grade in 2017. The institution is conferred with the Autonomous status by UGC & Anna University, Chennai in the year 2012. Our College offers 7 UG and 13 PG Programs in Engineering, Technology and Management. The College has completed sixteen years of dedicated service in the field of Technical Education with an avowed mission to inculcate the students self-learning abilities that enable them to become competitive and considerate engineers, technologists, scientists, managers, administrators and entrepreneurs by diligently imparting the best of education, nurturing environmental and social needs. K.S.R. College of Engineering stands 151-200 rank band based on NIRF Ranking.

ABOUT THE DEPARTMENT

The Department of Electronics and Communication was started in the year 2001. The department has won the best e-Governance project from Tamilnadu government. The department has well equipped laboratories and Anna University has recognized the Department as Research Centre. The department has well qualified faculty with adequate infrastructure facility for Research and Development.

SCOPE OF THE SEMINAR

Positive thinking will let you do everything better than negative thinking will. The Department of Electronics and Communication is a popular field of study for engineering aspirants.

Our nation needs job makers instead of job seekers. Instead of looking for jobs youth can try to find new opportunities where they can start their own enterprises with their new ideas.
