## Workshop on Intellectual Property Rights (IPR)

(05.02.2020)

K.S.R.College of Engineering, Department of Electrical and Electronics Engineering conducted workshop on Intellectual Property Rights (IPR).This programme was presided over by Principal Dr.P.Senthilkumar.

Workshop on Intellectual Property Rights (IPR) was organized by department of Electrical and Electronics Engineering hands on with Dr.R.Palanivelu, Professor & Head/Chemistry, K.S. Rangasamy College of Technology was the resource person of this programme.

Intellectual property is a category of property that includes intangible creations of the human intellect, and primarily encompasses copyrights, patents, and trademarks. It also includes other types of rights, such as trade secrets, publicity rights, moral rights, and rights against unfair competition. Artistic works like music and literature, as well as some discoveries, inventions, words, phrases, symbols, and designs can all be protected as intellectual property. The main purpose of intellectual property law is to encourage the creation of a wide variety of intellectual goods. Intellectual property rights refers to the general term for the assignment of property rights through patents, copyrights and trademarks. These property rights allow the holder to exercise a monopoly on the use of the item for a specified period.

Dear senthil kumar

With in our Institutions guest is coming and its good . but honorarium guest cost can be removed and we can give a book to them .

Secondly, flex not required for the internal guest .. and Tea & Snack : Check its necessary for the work shop, for guest we can provide and rework the cost.
