Report on Guest Lecture on Mobile Communication

(06.08.2018)

K.S.R. College of Engineering, Department of electrical and electronics engineering conducted one day Guest Lecture on Mobile Communication. This programme was presided over by our vice chairman Thiru.R.srinivasan, our principal Dr.P.Senthilkumar.

Guest Lecture on Mobile Communication was organized by department of Electrical and Electronics Engineering hands on with Mr. B. Gowtham, Sr. Engineer, Phonix Contact (India), Coimbatore, was the resource person of this programme.

Mobile communications refers to a form of communications which does not depend on a physical connection between the sender and receiver. It facilitates the users to move from one physical location to another during communication. Our Mobile communication workshop includes all topics of history and application of wireless communication, satellite systems, GPS, 2G, 3G, reference model were discussed.
