## K.S.R. COLLEGE OF ENGINEERING TIRUCHENGODE – 637 215 (Autonomous)

In K.S.R. College of Engineering, Department of English contacted a Guest Lecture on Communication skills. This programme was presided over by Our Principal Dr. P. Senthilkumar,

Professor Sundara Bharathi was the resource person for the Guest Lecture he gave a talk on “COMMUNICATION SKILLS FOR ENGINEERS”. The lecture began with elucidation of the terms Proficiency, Employment, skills and Career. The speaker made a thought provoking demonstration of the fact that language is a prerequisite for thoughts and ideas. The cycle of Language, Thinking, Communication and Skill was explained in the context of employment and employability skills. The evolution of the human intellect and its immense capacity to acquire, store, process and use the language was explained using various examples. The speaker expounded on the changes the language has undergone and the need for students to update their vocabulary to meet the employment needs. The concept of the four worlds - Home, School, College, Workplace and the ever growing importance of English in these worlds was explained convincingly. The session then came to its focal point, Job Interview and its prerequisites. He shared many information to students and the presentation was insightful.
