Alumni Entrepreneur Talk : 11.11.2021

Students Skill Development (SSD)

A career path is a sequence of jobs that leads to your short and long-term career goals. There are countless types of career paths to follow their own career goals and career ladder. Entrepreneurs often have several jobs where they gain the necessary skills before actually beginning their own companies. It requires a lot of energy, decision-making skills, tenacity, resourcefulness, and flexibility. Common jobs for entrepreneurs include those in marketing, business development and
