Submitted to Principal:

Sub.: Permission for Conducting One day Seminar on “ Understanding of Programme Outcomes (POs)”- Reg.

Respected sir,

Our department has planned to conduct a One day Seminar on “Understanding of Programme Outcomes (POs)” on November 6th 2019 (Wednesday) for faculty members of K.S.R. College of Engineering. In this regard, we request you to give honorarium amount of Rs.3000 and banner amount of Rs.1000 (Total Amount Rs. 4000/-) for conducting this seminar.

Hence, we request you to give permission for the same.

Thanking You

Sub.: National Seminar on "Understanding of Programme Outcomes (POs)" – Reg.

The 'NBA accreditation' and the improvement of quality of education have triggered a movement of promising results. As stated by NBA, POs represent the knowledge, skills and attitudes the students should have at the end of a four year engineering program in India.

Program outcomes describe what students are expected to know and be able to do by the time of graduation. These relate to the skills, knowledge and behaviours that students acquire as they progress through the program. Further each course in the program spells out clear course outcomes (COs) which are mapped to the program outcomes. In order to enrich the knowledge about NBA-POs, the department of Information Technology has arranged the *National Seminar on "Understanding of Programme Outcomes (POs)*.

Therefore, all the HODs are requested to depute the following number of Faculty members to attend the *National Seminar on "Understanding of Programme Outcomes (POs)"* organized by department of Information Technology on 06.11.2019 (Wednesday) at **CHOCSIT COURT, KSRCE**.

The faculty name list shall be submitted to the Programme Coordinator **Dr.S.Nithya Kalyani, ASP / IT** on or before 04-11-2019, 03.00 p.m..

REPORT ON RESOURCE PERSON

Since 1995, till Sept. 2018, Dr T. Gnana Sambanthan was a Professor & head of the Computer Science and Engineering Dept., of NITTTR, a centrally funded Institution of the Ministry of Education, Govt. of India, in Chennai. He has done his B.E., M.E., and Ph.Ds in Civil engineering, in full time at a stretch, without a gap. He holds an M.E with distinction from Indian Institute of Science, Bangalore and a Ph.D from IIT Madras as a CSIR Sr. Research Fellow. He has obtained a blend of Industrial, Research and Teaching/Training experiences of several years from India and abroad in s/w development. He also had a two years stint with the state council for Science & Technology coordinating Industry-Institute-Interaction cell. As a Software professional, he had developed over 1,50,000 lines of coding on UNIX platform in India and abroad. In 1998, he was sponsored under World Bank to the Huddersfield University, UK, on "Curriculum Development in Computer Science Discipline". In 2000, he was nominated to Manila, Philippines on "Computer Applications in Technical Education & Training" under Colombo Plan. In 2017 he was nominated to Dhaka, Bangladesh on TVET, CPSC programme on OBE. He has worked in Riyadh, Saudi Arabia for 7 years as a s/w engineer, apart from visiting a few other countries. He has published and presented over 100 papers in National & International Journals, Conferences & Seminars in India and in abroad and also authored two editions of a book on computer graphics. He has visited over 1000 Technical Institutions, on various Committees such as AICTE etc., in over 18 states of India. He has been rendering popular lectures to students on 'UNIX/LINUX OS', based on his Industrial experience and to teachers on 'Instructional System Design for OBE through CDIO' based on his training and research experiences, in over 100 Higher educational and Management Institutions in India. He was the chairman in implementing IT curriculum in Technician Institute of Portblair, Andamans. He has won several awards and distinctions from various organizations, including the Jawaharlal Nehru Memorial Award from the University of Madras. He has already produced 13 Ph.Ds under the Madras University and currently guiding 6 Ph.Ds, in Engineering Education, apart from associating himself in Doctoral committees and adjudications of dozen Universities for over 100 candidates in the past 10 years. His areas of interest are concept extractions, Learning Grids and Computer Science Education, Instructional Designs, OBE-CDIO and e_Learning.

REPORT OF THE EVENT

One day seminar on Understanding of program outcomes (PO) was conducted by Information Technology on 06.11.2019. The program was presided by Dr. Lion K.S.Rangasamy, Founder and Chairman, and Mr. R.Srinivasan, Secretary, K.S.R.Educational Institutions. Dr.P.Senthilkumar, Principal offered presidential. **T.G. Sambantham, NITTTR, Chennai.** Delivered inaugural address and presented a plenary lecture. The topic includes characteristics of good learning outcomes, guidelines of student learning outcomes, practical approaches for student learning outcomes. Program Learning Outcomes are measurable statements that describe knowledge or skills that students achieve upon completion of their academic program. A group of 41 members was participated and benefited in this seminar.
