ANTI-RAGGING POLICY MANUAL

B. Objectives:

- To prohibit, prevent and eliminate the scourge of ragging including any conduct by any student whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student, or indulging in rowdy or undisciplined activities by any student.
- To monitor, direct and oversee the functions and performance of the Anti-Ragging Squads in prevention and curbing of ragging in the institution.

- To promote the discipline among the student community.

Ragging is a custom in the professional colleges and university campuses in our country. K.S.R. College of Engineering has always taken adequate measures for prevention and control of ragging every year. And the ragging in the campus is probably minimum among any of the colleges. However, due to the ugly incidences of ragging in other colleges appearing in the newspapers and media, there is anxiety and fear among the freshers and their family members. The college would like to alleviate this fear and anxiety and provide a conducive environment for learning during the initial period of the course. Following the Honorable Supreme Court's direction, we aim to make K.S.R. College of Engineering a ragging free campus.
