Brief Report of the Program		 			
<p>Culture Quest is an innovative initiative designed to enhance cultural awareness, inclusivity, and engagement within the organization. The program aims to create an environment where employees from diverse backgrounds feel valued, understood, and empowered. This report outlines the goals, activities, outcomes, and recommendations for the Culture Quest program.</p> <p>Screening Process:</p> <ul style="list-style-type: none"> • One to one interview • Portfolio presentation 					
Outcome of the Program	Post-program surveys showed increase in students awareness of cultural differences and practices. Participation rates were high, with of students attending at least one Culture Quest event. Feedback indicated a positive impact on team dynamics activities. Culture Quest led to new partnerships between departments, driven by shared experiences and a greater understanding of cultural strengths.
