Club Name	TECH TITANS & CODE CRUSHERS				
Name of the program	Hackathon	Association/Forum/CELL/CoE		Technical Club/IIIC	
Title of the program	Frontend Designing	Date		25.10.24	
		Time		1.30pm	
		Venue		B block CSE Lab	
		Number of Participants Attended		80	
Resource Person Details	Mr. M. Namasivayam Dr. R. Banupriya Mr. B. Rajesh				
Brief Report of the program The Hackathon titled “ Frontend Designing ” was organized for II and III-year student of CSE. Hackathon event aimed at fostering creativity among students. The primary objective of the hackathon was to encourage students to develop practical solutions to real-world problems within a limited time frame, providing them with hands-on experience in a high-energy, competitive environment. Overall, the hackathon was a resounding, highlighting the incredible talent and ingenuity of our students and underscoring our commitment to nurturing future tech innovators.		 			
Outcome of the Program	Participants worked collaboratively to address pressing challenges, gaining hands-on experience in problem-solving and project execution. This event provided valuable exposure to industry practices, with mentorship and feedback from experts helping to refine their ideas.
