K.S.R. COLLEGE OF ENGINEERING

An Autonomous Institution

(Approved by AICTE, New Delhi, Affiliated to Anna University & Accredited by NAAC (A++) & NBA)

K.S.R. Kalvi Nagar, Tiruchengode – 637215.

Namakkal District, Tamil Nadu.

DEPARTMENT	:	**COMPUTER SCIENCE AND ENGINEERING**
TITLE	:	**INDUSTRIAL VISIT DETAILS**
ACADEMIC YEAR	:	**2025 - 2026**

Event Photography

Name of the Industry	**Kerala Electrical and Allied Engineering Company**
Location	**Kochi, Kerala**
Number of Students Visited	**105 Students**
Year/Sem	**III CSE A & B / Odd**
Date of Visit	**23.08.2025**
Outcome	• **During the visit, students gained insights into the manufacturing processes of electrical equipment, production planning, quality assurance methods, safety protocols, and maintenance practices followed in the industry. They learned about the role of automation, control systems, and digital technologies in improving industrial efficiency and reliability.** • **The interaction with industry experts helped students understand professional work culture, teamwork, discipline, and industrial standards. The visit also enabled students to connect theoretical concepts with practical industrial applications, thereby enhancing their technical knowledge and problem-solving skills.**
