DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Memorandum of Understanding (MoU)

Arpina Solutions Private Limited

The Department of Computer Science and Engineering, KSR College of Engineering, signed a Memorandum of Understanding (MoU) with Arpina Solutions, Hyderabad, on July 18, 2023. The MoU was established with the objective of strengthening the collaboration between academia and industry and creating a platform for knowledge sharing, research, and skill development.

Through this partnership, both institutions aim to work together in areas such as research and innovation, technical training programs, workshops, seminars delivered by industry experts. The collaboration also focuses on enhancing students' practical exposure to current technologies and industry practices.

As part of the MoU, Arpina Solutions will support the department by providing internship opportunities, industrial training, and placement assistance for students. The partnership will also facilitate industry-oriented projects, mentoring, and skill enhancement programs, enabling students to bridge the gap between academic learning and real-world industry requirements.
