

ABOUT THE AUTHORS

P.MURUGESAN has received the B.E. (Mechanical Engineering) degree in 1996. He completed his master degree M.E. (Thermal Engineering) with rank holder in 2004 from Annamalai University. He completed Ph.D. degree in the area of Heat and Master Transfer from Anna University in 2011. He has 28 years of teaching experience and members of various professional societies such as ISTE and STEP. He is invited as Guest Speaker from reputed Institution. Currently He is working as Professor of Mechanical Engineering ,K S R College of Engineering, Tiruchengode. He Published 10 papers in Scopus Indexed Journals, 22 International Journals and presented 27 International Conference and 10 books. His area of Research includes Machine learning, Heat transfer enhancement..

K.SHANMUGA PRIYA has received the B.E. (COMPUTER SCIENCE AND ENGINEERING) degree in 2012 at Sengunthar Engineering College. She completed her master degree M.E. (Computer Science and Engineering) in 2008 at K.S.R College of Engineering College from Anna University. She has 9 months of teaching experience and membership of IAENG. She Published 2 papers in Scopus Indexed IEEE Journal and presented a Paper in International Conference. Her area of Research includes Artificial Intelligence, Networks and Cyber Security.

K.MANIKANDAN has received the B.E. (Computer Science and Engineering) degree in 2010 at K.L.N. College of information Technology. He completed his master degree M.E. (Computer Science and Engineering) in 2013 at Nandha Engineering College from Anna University. He has 10 years 6 Months of teaching experience. Currently he is working as Assistant Professor of Cyber Security department, K S R Institute for Engineering and Technology, Tiruchengode. Her area of Research includes Machine learning, Deep Learning, OpenCV and Image Processing.

G.VINOLY has received the B.E. (Computer Science and Engineering) degree in 2015 at K.S.R College of Engineering from Anna University. She completed her master degree M.E. (Computer Science and Engineering) with in 2022 at Gnanamani College of Technology from Anna University. She has 9 years of industry experience under B2B, insights and analytics services in different of areas and content solutions curated by subject-matter experts and technology. Currently she is working as an Assistant Professor in the Department of Computer Science and Engineering (Cyber Security) at K S R Institute for Engineering and echnology (Autonomous), Namakkal (Dist), Tiruchengode. Her area of interest includes Cloud computing, Networking, Deep Learning, Artificial Intelligence, Image Processing and Machine Learning. She is very innovative and active in exploring new technologies.
