

K.S.R. COLLEGE OF ENGINEERING, TIRUCHENGODE – 637 215
(Autonomous)

Department of Electrical and Electronics Engineering

INTERNATIONAL CONFERENCE ATTENDED

2021-2022

Faculty Name	Conference	Topic / Event Name	Venue/College Name	Dates
Dr.S.Senthilkumar	AIP Conference Proceedings	Enabling public transport system for visually impaired people	***	5.04.2022
	12th National Conference on Trends in Engineering applications	Cascade II level invertors using power electronic switch	Velalar College of Engineering and Technology	6.05.2022
Dr.V.Ravi	12th National Conference on Trends in Engineering applications	Optimal power management of Renewable energy resource in Micro grids Power Management System	Velalar College of Engineering and Technology	6.05.2022
K.Yamuna	International conference on science, Technology, Engineering and Mathematics	A smart energy meter with power theft monitoring and home automation using IoT	Jansons insititute of technology, Coimbatore	28.05.2022
E Vani	International conference on science, Technology, Engineering and Mathematics	Smart ATM security using vibration sensor and DC motor	Jansons insititute of technology, Coimbatore	28.05.2022

S.Gowtham	International conference on science, Technology, Engineering and Mathematics	Smart ATM security using vibration sensor and DC motor	Jansons insititute of technology, Coimbatore	28.05.2022
Mr.M.Subramani	International conference on Engineering and Innovative Research	Efficient Energy Conservation From Transport Vechicle to Utility Load	Kathir College of Engineering	25.05.2022
	2nd international virtual conference on RTEAIN2022	Efficient Energy Conservation From Transport Vechicle to Utility Load	M.Kumarasamy college of engineering	26.5.2022 &27.05.2022
Dr.M.Vijayakumar	International conference on science, Technology, Engineering and Mathematics	Automatic human follower trolley using huskeylens	Jansons insititute of technology, Coimbatore	28.05.2022
Dr.S.Ramesh	2nd international virtual conference on RTEAIN2022	Hybrid controller for renewable energy power plant in stand alone sites	M.Kumarasamy college of engineering	26.5.2022 &27.05.2022
	12th National Conference on Trends in Engineering applications	Hybrid controller for renewable energy power plant in standalone sites	Velalar College of Engineering and Technology	6.05.2022
	International conference on emerging trends in science technology and applications	PV based induction cooking system	Sree sakthi engineering college	27&28.05.2022
Dr.M.Ramasamy	International conference on science, Technology, Engineering and Mathematics	River cleaning and water quality monitoring system using turbidity sensor	Jansons insititute of technology, Coimbatore	28.05.2022
