(Autonomous)

Department of Electrical and Electronics Engineering

INTERNATIONAL CONFERENCE ATTENDED

2022-2023

Faculty Name	Name of the Conference	Topic / Event Name	Venue/College Name	Dates
Dr.E.Vani	7 th International Conference on Engineering, Technology and Science	PIC Microcontroller Based Boiler Monitoring & Controlling System for Power Plant Industry	Muthayammal College of Engineering, Rasipuram	31.03.2023
Mr..M.Subramani	International Conference on Computing and Information Technology	Intelligent Toll Charge Collection System With Safety Features Using Arduino	University of Tabuk, Saudi Arabia	27.03.2023 to 29.03.2023
Dr.S.Senthilkumar	7 th International Conference on Engineering, Technology and Science	Optimization of boiler operation and maintenance using IOT	Muthayammal College of Engineering, Rasipuram	31.03.2023
Mrs.K.Yamuna	7 th International Conference on Engineering, Technology and Science	A multi sensor intelligent device for real time multiphase flow controlling in thermal power plant	Muthayammal College of Engineering, Rasipuram	31.03.2023
Mr.Dhivagar.S,	7 th International Conference on Engineering, Technology and Science	Programmable Logic Controller Programming And Wiring of Pills Vending Machine	Muthayammal College of Engineering, Rasipuram	31.03.2023
Mr.S.Gowtham	7 th International Conference on Engineering, Technology and Science	PLC programming and panel wiring for plywood cutting machine	Muthayammal College of Engineering, Rasipuram	31.03.2023
Mrs.B.Yuvarani	2nd International Conference on Advancements in Automotive Technology	Smart greenhouse control system with plant health monitoring	Bannari Amman Institute of Technology	5th & 6th April 2023.

Mrs.A.Vasanthi	7 th International Conference on Engineering, Technology and Science	Programmable logic controller based automatic loom machine	Muthayammal College of Engineering, Rasipuram	31.03.2023
Dr.M.Vijayakumar(1)	7 th International Conference on Engineering, Technology and Science	Solar PV Interface Quasi Impedance Source	Muthayammal College of Engineering, Rasipuram	31.03.2023
Dr.R.Sankarganesh	7th International Conference on Electronics, Communication and Aerospace Technology	Network Based STATCOM Control in The Wind	RVS Technical Campus, Coimbatore,	11-12, April 2023.
Dr.S.Ramesh	International Conference on Computing and Information Technology	Facial Movement Based Robotic ARM Control Using Arduino and Python	University of Tabuk, Saudi Arabia	27.03.2023 to 29.03.2023
	7 th International Conference on Engineering, Technology and Science	Facial movement based robotic arm control using arduino and python	Muthayammal College of Engineering, Rasipuram	31.03.2023
Dr.M.Ramasamy	7 th International Conference on Engineering, Technology and Science	Microcontroller Based Power Transformer Monitoring And Protection In 210mw Thermal Unit	Muthayammal College of Engineering, Rasipuram	31.03.2023
Dr.M.Vijayakumar(2)	7 th International Conference on Engineering, Technology and Science	Automatic Yarn Breakage Identification Warping Machine By Using PLC	Muthayammal College of Engineering, Rasipuram	31.03.2023
Dr.V.Ravi	7 th International Conference on Engineering, Technology and Science	Portable Solar Washing Machine	Muthayammal College of Engineering, Rasipuram	31.03.2023
Dr.K.Lakshmi	2nd International Conference on Advancements in Automotive Technology	Automatic path memorizing fork lift	Bannari Amman Institute of Technology	5th & 6th April 2023.
