

EXTENSION ACTIVITIES (2024-2025)

K.S.R. College of Engineering is dedicated to fostering a culture of volunteerism and social responsibility among students. By engaging in meaningful social causes, it aims to create a positive impact on society while nurturing leadership, empathy, and compassion among young individuals.

Key Activities

- Encouraging Student Participation - Motivating students to actively engage in community service projects that address various social issues.
- Organizing Social Initiatives - Hosting programs focused on education, environmental conservation, and social welfare to drive positive change.
- Collaborating with NGOs & Social Organizations - Extending volunteering opportunities beyond campus by partnering with non-profit organizations.
- Conducting Awareness & Service Campaigns - Leading social awareness programs, donation drives, and public service activities to support underprivileged communities.

Impact & Vision

By integrating service, and leadership, the institution aspires to make volunteering a transformative experience that benefits both individuals and society. Through collaborative efforts with corporate mentors, NGOs, and students, the college aims to build a strong network of socially responsible and empowered individuals committed to making a difference.

Activities Organized

S. No	Details of Activities	Date
1.	Temple Cleaning at SPB Colony, Pallipalaym	10.08.2024
2.	Awareness Rally on Solid Waste Management, at Tiruchengode	24.08.2024
3.	Helmet Ware Awareness Rally at Tiruchengode	24.08.2024
4.	DaanUtsav 2024 - Collection Drive, KSRCE	Sep to Oct 2024
5.	DaanUtsav 2024 - Donation Drive at Anada Malar Childern Home, Alampalayam, Pallipalayam	23.10.2024
6.	DaanUtsav 2024 - Donation Drive at N.L. Karunai Illam - Old Age Home, Erode	23.10.2024
7.	DaanUtsav 2024 - Donation Drive at Helping Hearts Trust, Vendipalayam, Erode	24.10.2024
8.	DaanUtsav 2024 - Donation Drive at Karunalaya Children home, Mullamparappu, Erode	24.10.2024
9.	DaanUtsav 2024 - Donation Drive at Venkateswara Welfare Society Home	28.10.2024
10.	Inauguration of plantation of 10000 tree saplings at KSRCE	09.11.2024
11.	Second Phase Tree Plantation Drive at KSRCE	23.11.2024

Event 1: Temple Cleaning at SPB Colony on 10.08.2024

A Temple Cleaning Drive at SPB Colony was organized on 10.08.2024 by Bio Medical Engineering department as part of its community service initiatives. 30 students, faculty coordinators, and local volunteers were participated. The event aimed to promote cleanliness, hygiene, and environmental responsibility while preserving the sanctity of religious places.

Event 2: Awareness Rally on Solid Waste Management, at Tiruchengode on 24.08.2024

Awareness rally on Solid Waste Management was organised at on 24.08.2024 by Department of Civil Engineering, KSRCE, Tiruchengode. Solid waste management rally aims to create impact on the environment and human health in the process of collecting, treating, and disposing of solid waste among the public. The rally begins at 10.30 a.m. at the Tiruchengode town bus stand and proceeds along four car streets and finishing at the Anna statue. The event involved 110 students and 15 faculty members.

Event 3: Helmet Ware Awareness Rally at Tiruchengode on 24.08.2024

K.S.R. College of Engineering organized a **Helmet Awareness Rally** on 24.08.2025 to promote road safety and encourage the use of helmets among two-wheeler riders. The rally aimed to spread awareness about the importance of wearing helmets to prevent accidents and ensure rider safety. The starting Point of rally was Anna Statue, Tiruchengode, and proceeded along Four Car Streets and concluded at the Town Bus Stand. **110 students** and **20 faculty members** actively took part in the rally.

Event 4: DaanUtsav 2024 – Collection Drive, KSRCE during Sep to Oct 2024

As part of the nationwide celebration of **Daan Utsav 2024**, KSRCE organized a campus-wide donation drive from Sep to Oct 2024. This initiative aimed to foster the spirit of giving among students, faculty, and staff, encouraging collective action for social good. Clothes, books, stationery, toys, non-perishable food items, and monetary contributions were collected. The overwhelming participation from the entire college community was a testament to the shared commitment to creating a positive impact on society. Volunteers from different departments sorted and packed the donated items.

The donations were distributed to

1. Ananda Malar Trust, an orphanage home in Pallipalayam on 23.10.2024
2. N.L.Karunai Illam, an Old Age Home in Erode on 23.10.24
3. Little Hearts Children Home, in Erode on 24.10.2024
4. Karunalaya Illam, an Orphanage Home in Mullamparappu on 24.10.2024
5. Sri Venkateshwara Welfare Society, Thindal, Erode on 26.10.2024

Event 5: DaanUtsav 2024 – Donation Drive at Anada Malar Childern Home, Alampalayam, Pallipalayam on 23.10.2024

As part of the college's social responsibility initiatives and in alignment with the spirit of **Daan Utsav 2024**, KSRCE successfully conducted a donation drive for **Ananda Malar Trust**, an orphanage home located in Pallipalayam. The drive donated the essential needs of the children while spreading joy and positivity. The college actively participated in this noble cause, making it a memorable and impactful event.

Event 6: DaanUtsav 2024 - Donation Drive at
N.L. Karunai Illam - Old Age Home, Erode on 23.10.2024

As part of the college's initiative to support senior citizens and celebrate the spirit of Daan Utsav 2024, a donation drive was organized for N.L. Karunai Illam, an old age home in Erode. This drive aimed to extend care and compassion to the elderly residents while addressing their material and emotional needs. The enthusiastic participation of the college community ensured the success of this initiative.

Event 7: DaanUtsav 2024 – Donation Drive at Helping Hearts Trust, Vendipalayam, Erode on 24.10.2024

As part of Daan Utsav 2024, a donation drive was organized to support the children at Little Hearts Children Home, Erode. The drive focused on providing cloth materials, note books material support and emotional care to the children, highlighting the importance of giving back to society. The event saw enthusiastic participation from students, faculty, and staff, making it a heart-warming and successful initiative.

Event 8: DaanUtsav 2024 – Donation Drive at Karunalaya Children Home, Mullamparappu,

Erode

The donation drive to Karunalaya Illam an orphanage home in Mullamparappu, was a heartwarming and impactful initiative, successfully meeting its objectives of providing resources and emotional support to the children. The event highlighted the power of collective giving and strengthened the bond between the college and the community. KSRCE looks forward to continuing its support for such noble causes in the years to come.

Event 9: DaanUtsav 2024 – Donation Drive at Venkateswara Welfare Society Home on 28.10.2024

The donation drive to Sri Venkateshwara Welfare Society, Thindal, Erode was a resounding success, providing much-needed support to the residents while fostering a spirit of giving among the college community. The event strengthened the bond between the college and the society and inspired participants to continue their commitment to social responsibility.

A group of 25 students and 5 faculty members visited Sri Venkateshwara Welfare Society to personally deliver the donations and interact with the residents.

Groceries: Items such as rice, pulses, cooking oil, snacks, and spices.

Books and Stationery: Over 50 notebooks, pens, pencils, and educational books.

Hygiene Products: Soaps, shampoos, toothbrushes, and toothpaste.

Event 10: Inauguration of plantation of 10000 tree saplings on 9.11.2024

ksrceofficial

KSRCE inaugurated plantation of 10000 tree saplings in association with Olirum Erode Foundation & Erode District Civil Engineers Association. The **10,000 Tree Plantation Drive** focused on enhancing environmental sustainability by planting trees in urban and rural areas. Its **scalability** is evident in the potential to expand to more regions with community and institutional support. **Sustainability** is ensured through species selection, post-plantation care, and community engagement. **Measurable outcomes** include improved air quality, increased green cover, and positive climate impact, with survival rates of trees monitored over time.

Event 11: Second Phase Tree Plantation Drive on 23.11.2024

As a part of initiative to plant 10,000 tree saplings, the second phase of planting 200 trees is organised on 23rd November 2024 at K.S.R. College of Engineering. The ceremony is inaugurated by Rtn. Ramamoorthy, ENT Surgeon, and Founder of Akkarai Forum, at 10:30 AM. The saplings are sponsored by Erode Sakthi Masala. The event is organized in collaboration with Rotary Club of Erode Rotary Club of Erode North, JCI Erode Super Kings, AJS Trust, Erode, and ECO Club, NCC, NSS, UBA Bhumi, and from KSRCE. A total of 200 saplings are planted, focusing on native species such as neem, mahogany, peepal, jamun, butter tree, minusope elangi, portia, and acacia paltiform. This drive reflects a commendable effort toward environmental sustainability, involving diverse organizations and clubs, creating awareness, and promoting greenery. Such initiatives make a lasting impact on the ecosystem and inspire community participation.
