

NSS Club

Introduction

National Service Scheme (NSS) was introduced in 1969 with the primary objective of developing the personality and character of the student youth through voluntary community service. 'Education through Service' is the purpose of the NSS. The ideological orientation of the NSS is inspired by the ideals of Mahatma Gandhi. Very appropriately, the motto of NSS is "**NOT ME, BUT YOU**". An NSS volunteer places the '**community**' before '**self**'.

Vision

The vision of the NSS Club at K.S.R College of Engineering isto build the youth with the mind and spirit to serve the society and work for the social uplift of the down-trodden masses of our nation as a movement.

Mission

The National Service Scheme has been functioning with the motto "NOT ME BUT YOU" in view of making the youth inspired in service of the people and hence NSS Aims Education through Community Service and Community Service through Education.

Objectives of NSS:

NSS aims at developing the following qualities/ competencies among the volunteers:

- a) To understand the community in which the NSS volunteers work and to understand themselves in relation to their community;
- b) To identify the needs and problems of the community and involve themselves in problem-solving exercise;
- c) To develop among themselves a sense of social and civic responsibility;
- d) To utilize their knowledge in finding practical solutions to individual and community problems;
- e) To gain skills in mobilizing community participation;
- f) To acquire leadership qualities and democratic values;
- g) To develop capacity to meet emergencies and natural disasters; and
- h) To practice national integration and social harmony.

NSS attempts to establish meaningful linkages between 'Campus and Community', 'College and Village' and 'Knowledge and Action

Tree plantation program was inaugurated by planting a sapling by our honorable Vice-chairman, Principal with well worshiped in the name of god facility, office members, students, NSS volunteers, members of Olirum Erode trust actively participated in the program and many trees were planted at varies places with in campus. On this occasion everyone pledged to take responsibility to increase the Maximum number of saplings faculty motivated all the students to plant trees explaining the importance of nature from trees. Students were then assigned as guardians of one plant each wherein they will look after these plants as they grow and make sure that the plants are being watered regularly and cared for. Planting more trees can be a small step towards protecting the environment.
