Science Club (2024-2025)

Introduction

The science club is where curiosity transforms into discovery and ideas spark innovation. It lays the platform for students to come together to experiment and explore the marvels of the technological world. It's a journey from the smallest atom to the vastness of the universe, diving into hands-on experiments, interactive discussions, and mind-bending projects. The fascinated mystery is the black holes, the power of chemistry, or the secrets of genetics and much more possibilities. It connects to the dots of the unknown, fuel our imaginations, and brings science to life in ways never seen before.

Vision

The vision of the **SCIENCE CLUB** at **KSR COLLEGE OF ENGINEERING** is to build a dynamic community of creative thinkers and passionate learners, inspiring a deep enthusiasm for scientific discovery, technological innovation, and positive societal impact. By promoting collaboration, practical learning, and interdisciplinary engagement, the club aims to equip students to become leaders in tackling real-world challenges, advancing scientific knowledge, and driving sustainable progress.

Objectives

- Inspire students to explore and appreciate the wonders of science and its applications in everyday life.
- Foster creativity and problem-solving skills through hands-on projects, experiments, and competitions.
- Promote the use of science and technology to address environmental and societal challenges sustainably.
- To encourage individual and group activities.
- To stimulate active participation and initiative among students in learning process.

• Organize events such as Science Day, exhibitions, and competitions to recognize and celebrate advancements in science and technology.

Event: 1

Date: 28.09.24

<text>

The science club introduction ceremony at KSRCE is a resounding success, marking the beginning of a new era of scientific exploration and curiosity. Then members participated in a variety of interactive sessions like science innovations, ranging from simple chemistry reactions, arriving new technology. The session encouraged students to ask questions, think critically, and develop problem-solving skills in a collaborative environment.

Event: 2

Date: 26.10.24

Time: 1.30 pm

Venue: CV Raman block - Physics lab

In order to enhance creative and innovative skills of the students, the **Science Club** has planned various activities every week. Task were given to students to implement the **"Basic laws of Science"** to develop innovative technological devices. The student teams have presented science models related to the topic and presented their ideas energetically. Flashing of quiz with critical level of thinking were also done.

Event: 3

Date: 09.11.24 Time: 1.30 pm Venue: CV Raman block - Physics lab

To encourage creativity and innovation among students, the Science Club has planned a series of weekly activities. One of the key tasks was to celebrate "**World Science Day**" by developing innovative technological devices. Students presented their projects through PowerPoint presentations and engaging activities related to the theme of World Science Day. In addition, a challenging quiz was held to stimulate critical thinking and further enhance students' problem-solving abilities.
