

**K. S. R. COLLEGE OF ENGINEERING, TIRUCHENGODE – 637 215**  
**(Autonomous)**  
**Department of Mechanical Engineering**

**Major Thrust areas and people involved**

| <b>S.No</b> | <b>Faculty name</b> | <b>Thrust Areas</b>  |
|-------------|---------------------|--|
| 1.          | Dr.P.Senthilkumar   | Cryogenic<br>Thermal Engineering<br>Energy Engineering<br>Refrigeration and air conditioning |
| 2.          | Dr.A.V.Balan        | Manufacturing<br>Optimization<br>Composite Materials<br>Rapid Prototyping                    |
| 3.          | Dr.P.Dhiravidamani  | Lean manufacturing<br>Optimization<br>Thermal<br>Reverse Engineering                         |
| 4.          | Dr.T.Sureshkumar    | Composite Materials<br>Manufacturing<br>Product design and Development<br>Scheduling         |
| 5.          | Dr.M.Bhuvaneshwaran | Composite materials<br>Strength of materials<br>Manufacturing<br>Nano technology             |
