DEPARTMENT OF INFORMATION TECHNOLOGY				
INTERNATIONAL CONFERENCE ATTENDED				
Sl. No.	Name of the Faculty	Title of the paper	Name of the International conference	Date
2012-2013				
1	Dr. S . Nithyakalyani, S. Sureshkumar	Data Aggregation in Ewirelesds Sensor Network using Node Clustering Algorithms	Conference on Information & Communication Technologies	11 th - April-2013
2014-2015				
1	Dr. S . Nithyakalyani, R.Archana, C.Mythili	Security Mechanism for Android Cloud Computing	Global Conference on Communication Technologies	23 rd -April -2015
2016-2017				
1	Dr. S . Nithyakalyani K . Tamilarasi	A Survey on Signature Verification Based Algorithms	Interational Conference on Electrical, Instrumentation and Communication Engineering	27 th - April -2017
2017-2018				
1	Dr.G.Singaravel, S.Karuppasamy & P.Kaveen	Scrum Investigation Analysis for Android application	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 6
2	Dr.G.Singaravel, N.S.Kavitha	survey on data aggregation through orthogonal set method for wireless sensor network	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 13
3	Dr. S .Nithyakalyani & M.Saravanan	Video quality assessment for concurrent multipath transfer	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 15
4	M.Divya ,M.Gayathri, Mrs. K. Sangeetha & Mr. S. Anguraj	SAP Hana-Database: Inter Organisation Cooperations with SAP systems Perspectives on Data Management for Business Applications	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 17
5	Dr. S .Nithyakalyani ,M.Gayathri & S.Sabitha	Heuristics approach for analyzing The geo-distributed data	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 18
6	Mrs. K. Sangeetha & Mr. S. Anguraj,Dr. S .Nithyakalyani & T.Poongothai	An Overview Of Applications Of Big Data Analytics	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 21
7	Dr. S.Nithyakalyani, S.Sabitha & V.Yasvanthkumar	Parallel And Multiple E-Data Distributed Process With Progressive Duplicate Detection Model	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 23
8	Mr. T.Sivakumar & R.K.Poongodi	Enhanced Adaptive Multimedia Data Forwarding For Privacy Preservation In Vehicular Ad-Hoc Networks Using Authentication Group Key	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 24
9	Dr. S. Periyasamy & L.Preethi	Enhanced Scalable Learning For Identifying And Ranking For Big Data Using Social Media Factors	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 25
10	N. Saravanan & K.Vidhya	Enhanced automatically mining facets for queries And clustering with side information model	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 26
11	K. Balamurugan & Pavithra P	Enhanced secure big data in distributed mobile cloud Computing using fuzzy encryption model	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 31
12	Dr. S .Nithyakalyani & M.Tamilarasi	Offline signature verification methods base on Matlab presentation	Proceeding of International Conference on Information and Computational science	27th March -2018 Pp 34
13	Dr. S .Nithyakalyani	An Overview Of Applications Of Big Data Analytics	International Conference on Current research in Engineering Science and Technology	30 th-April-2018
14	Dr. S .Nithyakalyani	An Overview of Data aggregation in Wireless Sensor Network	International Conference on Current Research in Engineering Science and Technology	30th-April-2018
15	Dr. S .Nithyakalyani, S.Nanthini & Dr.S.Sudhakar	A Low Propagation Delay Multi-Cast Routing Protocol Using In Resource Allocation For Wireless Networks	International Conference on Intelligent computing and controlling	27-Jun-17

2018-2019

1	S.Suganya	Role of IoT in Mechanical and Manufacture Engineering	International conference of sustainable materials	19 th & 24 th March 2019
2021-2022				
1	Dr. S .Nithyakalyani& S.Vijayarathii	Enhanced Error Correction Algorithms definition video over multihomed wireless sensor networks(MWN)	International Conference on Artificial intelligence: Advances and Application	23 & 24th April 2022
2	Dr. S.Nithyakalyani, Nancy Lima Christy	Performance Analysis of Machine Learning Algorithms for Strabismus Detection–A Systematic Review	AICTE Sponsored nternational e-Conference on Fusion of Cutting edge technologies -advancement & challenges	5 & 6th March 2022
2022 -2023				
1	Dr.G.Singaravel Ms.G.Dharani	Pharmaceutical Guidance System Based on Sentimental Analysis.	International Conference on Recent Trend in Science, Engineering and Management (ICRTSEM-2023)	27.04.2023 & 28.04.2023
2	Dr. G. Singaravel S.Sethupathi	Online Handyman Services	AICTE Sponsored 11th International Conference on Advanced Science and Engineering Research 2023(ASER-2023)	12 th &13 th May,2023
3	Dr. G. Singaravel S.Hariprasath	Quiz Website Using PHP	AICTE Sponsored 11th International Conference on Advanced Science and Engineering Research 2023(ASER-2024)	12 th &13 th May,2023
4	Dr. G. Singaravel	Light Fidelity Technology	AICTE Sponsored 11th International Conference on Advanced Science and Engineering Research 2023(ASER-2025)	12 th &13 th May,2023
5	Dr. G. Singaravel Mr.S.Gowtham	Credit Fraud Detection Using Machine Learning Algorithm	AICTE Sponsored 11th International Conference on Advanced Science and Engineering Research 2023(ASER-2026)	12 th &13 th May,2023
