**COMPUTER SCIENCE ENGINEERING  
(CYBER SECURITY)**

**JUNE - OCTOBER - 2024**

## VISION

We envision to achieve status as an excellent Educational Institution in the global knowledge hub, making self-learners, experts, ethical and responsible engineers, technologists, scientists, managers, administrators and entrepreneurs who will significantly contribute to research and environment friendly sustainable growth of the nation and the world.

## MISSION

To inculcate in the students self-learning abilities that enable them to become competitive and considerate engineers, technologists, scientists, managers, administrators and entrepreneurs by diligently imparting the best of education, nurturing environmental and social needs.

To foster and maintain mutually beneficial partnership with global industries and Institutions through knowledge sharing, collaborative research and innovation.

# Message from CHAIRMAN

Thiru. R. SRINIVASAN, B.B.M., MISTE  
Chairman

The Technical colleges under Aarthi Educational & Charitable Trust are the product of a vision of a dream of excellence in affordable education. The chasm to synchronize the traditional value system and the contemporary ideas of engineering and technology is increasing at an alarming pace. There is a need to build bridge between two realms to ensure progress of multitude of people in the society. The Trust has an everlasting commitment for developing professional with humane and pragmatic approach to bring change in the society.

We at K.S.R. College of Engineering stand for promoting academic excellence and rigorous discipline with sound practical exposure amongst the student community. Make yourself competent for the globalised world through tireless striving by staying focused like a rock in angry ocean for hard work, as miles are to be covered before we all go to sleep

Message from

PRINCIPAL

Dr. M. VENKATESAN, M.E., Ph.d.,  
Principal

My heartiest welcome to all the young budding Engineers who have joined in "K.S.R. College of Engineering" With the help of highly qualified and dedicated staff members, we will be moulding the students to the required shape which will make them employable. The composite unit of Students, Parents, and Society is our customer. The K.S.R. College of Engineering will strive hard to provide customer satisfaction. In our college, we give top priority to Discipline. Series of Tests and Examinations will be conducted to achieve good performance in the University Examinations. An effective Training and Placement Cell is formed to provide placement to all our students. Importance will be given to Extra-Curricular and Co-Curricular activities also.

Excellent infrastructure facilities and good learning atmosphere is an added advantage of this great Institute. I hope all the students admitted here will enjoy the four years of study. Let us all work hard to produce the most competent scientists, engineers, Entrepreneurs, Managers and researchers through Quality Education.

# EVENTS

The Department of Computer Science and Engineering (Cyber Security) organized a seminar on "Future Trends in Cyber Security" on October 18, 2024. The session, led by \*Mr. A. S. A. Krishnan, was extremely informative and provided valuable insights into current trends in cybersecurity. He also offered guidance on how to shape one's career path in this field. Additionally, the seminar covered practical tools such as \*\*Wireshark\* and provided a deeper understanding of important topics like \*OWASP, \*\*buffer overflow, and \*\*macros in C programming\*.

The Department of Computer Science and Engineering (Cyber Security), in collaboration with the Cyber Intelligent Vibrant Association (CIVA), organized the Intra-Department Paper Presentation event titled CyberSpark 2K24 on October 19, 2024. The event provided a platform for students to showcase their research and innovative ideas in the field of cyber security.

The Department of CSE (Cyber Security) and the Department of Biomedical Engineering, in association with the Center for Sustainable Development Goals, organized an event titled "சங்ககால கடல்சார் தொல்லியல் அகழாய்வுகள்" on October 21, 2024. The event focused on exploring the maritime archaeological discoveries from the Sangam period, shedding light on ancient maritime trade, Indian knowledge system and cultural exchanges.

# EVENTS

The seminar titled "Importance of Mental Health Awareness for Female Students" was held on October 23, 2024, at 10:30 am. Mrs. Abinaya Jagdsh, a counseling psychologist and hypnotherapist from Tiruppur, led the session. She provided valuable insights into mental health challenges faced by female students and highlighted the importance of awareness and support systems. Her expertise and engaging approach made the seminar an enriching experience for all attendees.

The Daan Utsav Festival of Giving Donation Drive was held on October 23, 2024, at 3:30 pm. Organized with the dedicated volunteering of the Department of Computer Science and Engineering (Cyber Security), the event featured participation from Anandha Malar Trust, Alampalayam, and N.L. Karunai Illam, K.K. Nagar, Chennimalai Road, Erode. Students enthusiastically contributed and collected donations of essential items, including food, clothes, educational materials, and hygiene kits. The drive highlighted the spirit of generosity, bringing together students and community members in a meaningful act of giving.

The seminar on Career Development and Growth took place on August 7, 2024, from 2:00 pm to 3:00 pm. Dr. S. Rajasekaran, Associate Professor of EEE and Head of the CCE at KSRCE, led the session. He provided valuable information on TAHDCO's initiatives, including free coaching for CAT, TANCET, and MBA entrance exams for SC/ST students in their pre-final, final year, or those who have graduated. The session was highly interactive, with students engaging actively to learn strategies for career building under Dr. Rajasekaran's guidance.
